

Striders 2017 Results

During 2017, the SC Striders won a total of 40 USATF national masters championship events (including two relays), and ten Striders ended up as having the top performance in the world or the USA in their event(s). At the USATF National Masters Indoor Championships last February, ten individuals stood atop the podium, accounting for 19 individual first place performances and one relay. An additional five Striders finished the year as the top performers in the USA: Bert Bergen (M75); Don Leis (M80 and M85); Brenda Matthews (W65); Greg McBride (M60); and Matt Pruitt (M70).
